

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which also conserve white flour as urged by the government.

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1 1/2 cups boiling water
1/2 cup milk
1 tablespoon shortening
1 tablespoon molasses
1/2 cup flour
1 teaspoon salt
1/2 teaspoon Royal Baking Powder

NO EGGS
Scald corn meal in bowl with boiling water; add milk, molasses and shortening; add flour, salt and baking powder which have been sifted together; mix well. Bake on hot greased griddle until brown.

(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
1/2 cup water
1/2 cup seeded raisins
2 ounces citron, cut fine
1/2 cup shortening
1/2 cup flour
1/2 teaspoon salt
1/2 teaspoon nutmeg
1/2 teaspoon cinnamon
1 cup flour
1 cup egg flour
2 teaspoons Royal Baking Powder

Boil sugar, water, fruit, shortening, salt and spices together in saucepan 3 minutes. When cool, add flour and baking powder which have been sifted together. Mix well; bake in loaf pan in moderate oven about 45 minutes.

(The Old Method [Fruit Cake] called for 2 eggs)

Send for our new booklet "55 Ways to Save Eggs." Mailed free on request. Address Royal Baking Powder Co., Dept. H., 135 William Street, New York

HERMITAGE

(Continued from Page 1)

the township of Wethersfield to have the east and west road built first, as we have shown in an article on this question in the issue of the Times dated October 11th. The people of the state have pushed a good road system right up under our noses so to speak and we should have enough get-up-and-get about us to see that the remaining few miles are completed. The north and south road should be regarded as a side issue and should be allowed to wait until the main line is done and through traffic is assured. Regardless of party politics the town board of Wethersfield ought to be in favor of this project. If the democrats should win at the polls this year, there would be no doubt about the attitude of the board.

Incidentally the Republican candidate for supervisor is fully alive to the advantages his native village will derive if it is made the capital of the township.

The Republican aspirant for the position of town clerk is soon to move out into the open country. He will take up his residence on a road that is but little traveled in winter. For as long as a week at a time even the mail carrier has been unable to pass that way. If a loving couple should set out in January to procure a marriage license the chances are ten to one their experience with the drifting snow would so cool their ardor that they would not care if they never obtained the permission of the civil authorities to wed. The office of the town clerk should be in a village rather than on a cross road two miles away from everywhere.

The Republican candidate for Superintendent of highways is seeking his second term. He would gladly follow the dictates of the republican town board and work like a beaver on a new stone road passing by his farm home. The distance to and from work would be short and everything would be quite satisfactory.

To sum up the situation the contest lies between the northern and southern parts of the township. Which ever way the election turns the author trusts that no ill feeling will be engendered. Whether he receives office or not he hopes the town board will be composed of men who will vote unanimously and work steadily for the speedy building of the east and west link of stone roadway. The vast importance of this public utility cannot be over-estimated.

Mr. and Mrs. Dell McKenzie of Buffalo are the guests of Mr. and Mrs. A. W. Potter.

Mrs. Agnes Dolph-Patten of Hardys was a guest of Mr. and Mrs. John Wilson last Sunday.

Twenty-six couples attended the benefit concert and dance for the Wethersfield Cornet Band on Friday evening at Hermitage hall.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame, or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!
