ALL OUT OF SORTS?

So Was This Warsaw Woman Who Tells Her Experience

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Warsaw case is one of many:

Mrs. J. B. Pratt, 38 Linwood ave., says: "Kidney trouble set in when I was run down and my back ached. My back was so painful, I had to sit down while I ironed. Steady pains proved too much for me and when I walked across the floor, I became dizzy. Big, black spots blurred my sight and I was troubled with a worn-out feeling. My kidneys acted irregularly, too. I used Doan's Pills, purchased at Burrs Drug Store, Inc., and in a few days, the ailments left."

Commencement Exercises
Commencement exercises opened at the Grange Hall on last Sunday evening when Dr. Shepherd of Hamburg, delivered an ideal baccalaureate sermon. Monday evening was class night and the presentation of diplomas to the graduates who were three young men, Lynn Whipple, Fred Jennings and Frank Stekl. An address was delivered by Dr. C. W. Hogue from Franklinville. This too, was an ideal address. Following the address of welcome by Fred Jennings class history by Lynn Whipple; Professor Charles Dutton and Valedictory by Frank Stekl. Prof. Harrison presented the prizes to the 5 students holding the highest standing. The prizes were \$5.00 gold pieces and were donated by Dr. F. James. The Masonic lodge of Pike, G. Metcalf, J. T. McGurran and \$5.00 was taken from the school fund. These were won by: Science, best essay of 500 words, Jessie Bliss; Algebra or Geometry, standing of 90 7-10, Neva Henry; English grammar, essay of 1000 to 1200 words, Virginia Metcalf; History, Mary Dutton; and to the boy or girl, a prize for the best student, average attendance and general attitude, won by Carlton Safford. On Tuesday the class play followed. The hall was beautifully decorated with the class colors—yellow and white.

Base Ball News
Bliss won the ball game at Castle last Wednesday, score 20-7 but we lost to Silver Springs last Saturday, 12-5. Silver Springs has a miserable ball diamond and there are bad down grades in their outfield. No repairs have been made on it this season and there is not even a grand stand or seating capacity of any kind. However when we lose, we lose good naturedly and look forward to the next game with great courage. Last Saturday seemed to be an off-day for all our players.

Our other game with Silver Springs which was played here was a real close one and a very pleasant one, the score being 9-10. We note the Silver Springs correspondent forgot to make mention of this game in his grand outline of their games this season which appeared in last week's paper.
